

# 6 REASONS TO CHOOSE CGU FOR CONSTRUCTION

CGU

1

## Why CGU?

We offer market-leading products and outstanding service, backed by a 165-year heritage, national reach and the financial strength that comes from being part of Australia's largest insurance parent, Insurance Australia Group (IAG). We have built our brand around our customers and our partners and we are committed to providing you with the best possible service.

2

## National Team of Construction Underwriters

CGU have a specialist national team of experienced Construction Underwriters, offering local presence and knowledge. Our state based teams ensure that you have access to local decision makers ensuring your interaction is streamlined and informative. Our team offers hands on construction industry experience, with a number of engineers employed within the team.

3

## Strong Underwriting Capabilities

When it comes to Construction cover, not all policies are the same. From small owner builder construction risks to large scale infrastructure projects, our team is here to help you with all of your construction insurance needs. We provide market leading wordings and the ability to tailor coverage to suit the unique needs of the customer.

4

## Broad Risk Appetite & Focused Growth Industries

Preferred Segments include:

**Property:** Construction of residential, commercial and industrial property including shopping centres, hotels, houses and apartment buildings.

**Erection Risks:** General mechanical and process plant erection

5

## Claims Management

All construction claims are managed by either our large and complex onshore claims team. This ensures that only experienced claims professionals who understand the nuances of construction policy coverage manage our claims.

### Complex and Specialty Claims:

**Ph:** 13 24 80

**E:** [claims@cgu.com.au](mailto:claims@cgu.com.au)

6

## Ubuild2

UBuild2, the enhanced online tool that lets you quote and bind your clients' residential and commercial building risks to provide you with a simpler, more intuitive experience.
