# About the Farm Insurance Product Disclosure Statement and Policy Booklet

## Farm Insurance Product Disclosure Statement (PDS)

### 1. About the Farm Insurance PDS

- This PDS has been prepared to assist you in understanding the Domestic House and Contents cover, Personal Accident and Illness cover and Motor Vehicle cover available under the Farm Insurance Policy and in making an informed choice about your insurance requirements.
- This PDS has three parts:
  - Part 1 of the PDS is set out on pages 1 and 2 of this Farm Insurance Product Disclosure Statement and Policy booklet. It includes information about costs and your cooling-off rights
  - Part 2 of this PDS is the information about resolving a complaint or dispute and privacy are set out on page 3.
  - Part 3 of this PDS is the terms and conditions of the Policy set out in Section 2 - Domestic House and Contents, Section 7 - Personal Accident and Illness, and Section 9 - Motor Vehicles, together with Our Agreement with you, the General Definitions and Section 13 - General Exclusions and Section 14 - General Conditions.

### 2. Cost of the policy

- The premium payable by you for this insurance will be shown on your Certificate of Insurance.
- The key factors that influence the Premium calculation are reflected in the questions asked and the information sought at the time of your enquiry or application for insurance. The factors vary depending on the type of insurance you have selected.
- The things that can influence the Premium for these covers include:
  - Motor Vehicles – the make, model, type of the vehicle, the sum insured of the vehicle, how the vehicle is being used, where the vehicle is garaged and your previous claims history.

- Personal Accident and Illness – your type of occupation, the length of time you elect to wait before a claim payment will be made, the sum insured of your Average Weekly Earnings and chosen Capital Benefit.
  - Domestic House and Contents – the type of property being insured, the sum insured of the Domestic House and Contents, where the property is located, the type of construction and your previous claims history.
- Premiums are also subject to Commonwealth and State taxes and/or charges. These include the Goods and Services Tax and stamp duty. The amount of these taxes and/or charges will be shown in your Certificate of Insurance.
  - If you request an amendment to the cover during the Period of Insurance, you will be informed of the cost (if any) of making the amendment. The things that will influence the cost of an amendment are those listed in (c) above.
  - Your Premium, including any discounts You may be eligible for, are subject to minimum premiums. We consider the minimum amounts we are prepared to sell the policy for and may adjust your Premium to ensure it does not fall below the minimum premium. Any discounts will be applied to your policy, only to the extent any minimum premium is not reached. This means that any discount you may be eligible for may be reduced. When we determine your Premium on renewal, we may also limit any increases or decreases in your Premium by considering factors such as Your previous year's Premium amount.

### 3. Is an excess payable?

- If you make a claim under the policy, you may have to contribute some money towards the cost of the claim which is known as an "Excess". We will tell you if you need to pay an Excess when you make a claim but this will also be set out in the terms and conditions of the Policy.
- The amount of any Excess and when it applies is detailed in the terms and conditions section of this booklet or your written quotation, cover note or Certificate of Insurance.
- You may need to contribute more than one type of Excess.

### 4. Paying for your policy

- You can choose to pay your Premium upfront annually or by direct debit on a monthly basis.

What happens if you don't pay on time

- When you take out insurance, you need to pay your annual Premium or any instalments by the due date specified on your Certificate of Insurance.
- An instalment is unpaid if it cannot be deducted from your nominated account or credit card.
- If your Premium is overdue we will send you a notice outlining the overdue amount and when it needs to be paid.

- e) If your Premium remains unpaid after the time period specified in the notice we send, we will:
  - i. cancel your Policy for non-payment; and
  - ii. refuse to pay any claim for an incident occurring after the cancellation date.
- f) If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.
- g) If you need to make a claim when your Policy is overdue, and before your Policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows we can reduce the settlement payment by the overdue amount.

### 5. Is there a cooling-off period?

- a) There is a 21-day cooling-off period.
- b) If you are not completely satisfied with your policy, you can request cancellation in writing 21 days of the issue date and receive a full refund.

This will not apply if you make a claim within the cooling-off period.

### 6. How can I resolve a dispute?

## Important information

- b) There are 11 different types of insurance covers available under the policy which are set out in Sections 1 to 11. The General Definitions, Section 13 – General Exclusions and Section 14 – General Conditions also apply to the 11 types of cover. - c) If you have any questions, please don't hesitate to contact us.

  - ii. your Certificate of Insurance, which shows the type of cover you have, any changes or addition to that cover as well as other information specific to your contract of insurance.
- b) Read this booklet and your Certificate of Insurance carefully and keep them together with your important papers.

### 3. How much should I insure my property for?

No Claim Bonus is calculated on each eligible Vehicle insured under your motor vehicle policy unless your claims history does not entitle you to a No Claim Bonus.

We calculate Your No Claim Bonus rating based on the claims history of you and any other insured.

For each year there is no at-fault claims made on a Vehicle under your policy, we allow a discount from the basic premium for that Vehicle. The discount increases each claims-free year you have for a Vehicle until the maximum is reached.

Each year at renewal, your Vehicle's No Claim Bonus is re-calculated.
