MOTOR VEHICLE INSURANCE INFORMATION

CHOICE, CHOICE, CHOICE

CGU's Motor Vehicle insurance policies give you the freedom to choose the best cover to suit your needs. You choose the level of cover and the type of policy.

A choice of policies

CGU has developed three Motor Vehicle insurance policies for you to choose from.

1. Motor Vehicle Insurance Policy

This policy is our most flexible and, like all our policies, offers real value for money. This policy provides cover for your car, motorcycle, trailer or horse float.

2. Nominated Driver Motor Vehicle Insurance Policy

If you choose this policy your premium will be calculated on the basis that your car will only be driven by no more than two nominated drivers who are 25 years of age or over.

This is only available for cars.

3. Nominated Driver Low Kilometre Motor Vehicle Insurance Policy

If you don't do a lot of driving this policy is ideal for you. Your premium will be calculated on the basis that your car will be driven by no more than two nominated drivers who are 25 years of age or over and will not be driven more than 10,000 kilometres during your period of insurance.

This is only available for cars.

Uninsured motorist damage

If your vehicle suffers loss or damage as a result of a collision with an uninsured vehicle and you are not at-fault, we will cover the cost to repair your vehicle, including towing your vehicle up to \$5,000 (inclusive of GST). The vehicle that caused the damage to your vehicle must be uninsured. You will need to provide us with:

- the name and current residential address of the driver responsible for the collision
- registration details of the other vehicle
- proof that the other vehicle was uninsured.

We must agree that the collision was the other driver's fault.

Earned No Claim Bonus protection

We will provide you with one at-fault claim during your period of insurance without it affecting your No Claim Bonus if you are eligible and have held your drivers licence for eight years or more, and not had any at-fault incidents in the last two years.

Replacing your vehicle after a total loss

If your vehicle is a total loss as a result of an incident, we may decide to replace your vehicle with a new vehicle. We will only do this if your vehicle is a:

- car less than two years old and has not travelled more than 30,000 kilometres
- car more than two years old, but less than three years old, and has not travelled more than 50,000 kilometres, or
- motorcycle less than one year old.

Hire vehicle costs after theft or attempted theft

If your vehicle is stolen, or it is unsafe to drive, ride or tow as a result of theft or attempted theft, we will pay (inclusive of GST) the cost of a hire vehicle. We will pay this cost from the time the theft or attempted theft occurred until your vehicle is recovered and repaired, or until we settle your claim if your vehicle is a total loss, up to a total of 14 days, whichever is the shortest period of time.
